**Using Water Wisely –
Conservation Best Practices**

Thank you to those who have already been conserving. Please help encourage others to take steps to conserve our water supply:

- Fix leaky toilets, shower heads and faucets.
- Use washing machine and dishwasher for full loads only.
- Take 5-minute, instead of 10-minute, showers.
- Turn off water while applying soap and brushing teeth.
- Capture water in bucket while waiting for hot water to reach the shower head and use to water plants.

The Board of Directors proclaimed June 4, 2021 – June 3, 2022, as “GDPUD Founders Year” to commemorate the 75th Anniversary of the establishment of the Georgetown Divide Public Utility District.

The District will take this opportunity to increase public outreach to celebrate this milestone with the community.

Look for the GDPUD Booth at the Georgetown Founder’s Day in September.
