4. **FINANCE COMMITTEE MEMBER COMMITTEE COMMENTS AND REPORTS**

A. Board Report — Steve Miller

The Board elected new officers, with Mitch MacDonald being elected President. He and newly elected Director Robert Stovall were appointed as liaisons to the Finance Committee.

5. **INFORMATIONAL ITEMS**

A. **Committee Vacancies**

1. New Committee Members — Martha Helak was approved by the Board to serve on this committee. She seems very well qualified, and we appreciate her service to the community.

Martha gave a summary of her background and experience. She with the Sacramento Municipal Utility District (SMUD). She works for the Office of the General Counsel, Legislative and Regulatory Government Affairs.

She served on the team that decommissioned the Rancho Seco Nuclear Generating Station in Herald, California. In the role as a Decommissioning Cost Analyst & Scheduler, She was responsible for broad Project Management scope, including Resource Forecasting & Planning, contract management, and Critical Path oversight of the \$534MM decommissioning budget.

She has a Bachelor's degree from Arizona State University in Political Science/Liberal Studies and a Master's degree in History from the University of Nebraska. I feel that my experience and education will be a benefit to my potential service on the GDPUD Finance Advisory Committee.

2. General Manager Nick Schneider said we are going to adjust the request for applications and continue to advertise for new members.

B. **Audit Update**

Nick Schneider stated we are still waiting to hear back. We have been working with the auditors and giving them information they have requested.

Jessica Buckle, Finance/Office Manager, has been focusing on making sure Accounts Payable and Accounts Payable have been put into the correct funds.

PUBLIC COMMENT: Cherie Carlyon asked why the financial reports only to through the end of October. Jessica stated the CPA's advised her we do not even have a soft close until about three weeks after the month ends. The result is we will always be about 30 days behind.

C. **Update on Request For Proposals for Financial Consultant**

Nick Schneider said we are still waiting to hear back on the request for proposals.

D. **Mosquito Fire Financial Impact / Expense**

Nick Schneider reported we have outlaid approximately \$100,000 of District money in fire response costs. We are working with our grant writer for a Hazard Protection

Mitigation grant with CalOES funding which comes through FEMA. We are trying to determine how much of the available funding we will apply for. The cost share is 25% of what we apply for, and there are options of getting help to pay for the cost share.

The Board voted to initiate litigation regarding the Mosquito fire. We are entering into a professional service agreement with a law firm entering into a suit against PG&E. That will help recoup some costs—such as labor, late fees waived because of lack of mail service, overtime work, etc. as well as future mitigation costs—depending on the outcome of the suit.

Nick Schneider responded to Cherie Carlyon’s question about the compensation for the law firm, that it is on an 18% contingency.

E. Grant Updates

Nick Schneider reported we received the NOI on the fire grant. Members of the grant writing team did an infrastructure tour. We are looking at potential drought grants we would like to apply for through different agencies. We are looking into additional water tanks, canals that need to be lined or pipe installed, upgrades to treatment plants and exploring a secondary water source.

F. Socrata Update

We are reaching out to Tyler regarding issues with the Socrata program. Jessica Buckle noted the person who helped implement the program is no longer at the company and we are currently trying to get a new contact. GDPUD staff turnover has been a contributing factor in the difficulties with Tyler and Socrata. When things are more consistent, these programs will be able to run smoother. Jessica reported that our current accountant (LSL) has 3 CPAs who are very fluent in Tyler. They are extremely helpful in getting our system corrected.

6. FINANCIAL REPORTS

A. Budget to Actuals Report

B. Pooled Cash Report

C. Monthly Check Report

D. Year-To-Date Vendor Report

Steve Miller remarked that looking over the reports, overall, everything looks good. He questioned “Standby pay”. Nick Schneider said it is “on call” pay. We have someone on call 24–7 who get paid a daily rate. If they get called out, they get overtime pay. There are 5 staff members who rotate being on call. There are multiple on call each week—such as distribution, or raw water. Overtime is paid out of a separate account.

Nick Schneider said we plan to do a budget review at the February for the Board and possibly at the next Finance Committee meeting in January. We’ll take a deeper look at accounts identified as needing adjustments for the next budget.

7. ACTION ITEMS (None)

8. AGENDA ITEMS FOR NEXT FINANCE COMMITTEE MEETING

- A. Andy Fisher requested an online Socrata demonstration when the program is ready. Jessica Buckle reported there are some “how to” videos. We will try to get them imbedded into the Socrata website

B. Committee Member Recruitment — We need to soften the language to reflect less of a need for financial experts and more emphasis on being part of the process. We will establish a deadline date for a letter of interest, then send out a notice—publish on the web, MailChimp and public service announcement in the local paper.

9. **NEXT MEETING DATE AND ADJOURNMENT** – The Finance Committee set the last Thursday of each month at 3:30 PM for regular committee meetings. The next regularly scheduled meeting is scheduled for January 26, 2023. Meeting adjourned at 5:00 PM

Nicholas Schneider, General Manager
