Georgetown Divide Public Utility District  
6425 Main Street  
Georgetown, CA 95634

Dear General Manager and Board of Directors:

I am very interested in serving on the Georgetown Divide Public Utility District Board of Directors.

While I am not a long-time resident of the area, my husband and I moved to Greenwood in August of 2005. I have been seeking just such an opportunity as this to be involved in my community and put my experience to use.

I have experience from the office clerk with minimal responsibilities to Office Administrator with sole responsibility for administration for a private trade association. While in the military, I had responsibility for confidential personnel, medical, and dental records for my company; I was again in charge of records in my positions at the Agricultural Council of California; and in various positions with the State of California, I have been entrusted with the confidentiality of various documents, and sensitive issues. I have been the assistant to the "top boss" in many jobs, first as assistant to and driver for my Company Commander in the Army, as assistant to the President of an organization in the private sector, and more recently as assistant to a Chief Information Officer, an Agency Information Officer, and an Undersecretary in a state agency.

I have reviewed previous board minutes to familiarize myself with the work of the Board and believe my diverse background could be a good fit. I am willing and able to serve on the Georgetown Divide Public Utility District Board of Directors. My resume is enclosed for your consideration. I am eager for new challenges and look forward to an interview.

Regards,

Marilyn L. Boehnke

RE: GDPUD Board Director Vacancy Application

Dear General Manager and Board Directors:

This letter and attached resume serve as my formal application for the vacant GDPUD Board Director position advertised on the District's website. My experience with GDPUD, my professional background, and my interest in working with the current Board would make me a valuable addition to the GDPUD Board. I am confident I can help advance GDPUD's mission.

I have served the District for the past six years. From 2016 to 2020, I served on the Board of Directors. In this role, I worked with the community, Board colleagues, and District staff to complete needed capital projects and made the difficult, but necessary, decisions to improve the District's financial situation. Prior to my Board service, I volunteered on the District's Finance Committee from 2014 to 2016. As directed by the Board, I assisted GDPUD with financial research and made recommendations to the Board on how to utilize reserves.

I also have a professional background with water districts. From 2012 to 2015, I was employed as a financial analyst with the Placer County Water Agency where I worked on budgets, audits, and other fiscal projects. In my current position with the California Special Districts Association, I regularly work with Gold Country water districts and I am familiar with best practices and industry standards. I also have a professional designation as a Certified Public Finance Officer through the national Government Finance Officers Association. Finally, I have a certificate in Special District Governance from the Special District Leadership Foundation. I will bring my experience and skills to the District.

I am interested in working with the current Board to move the district forward. First, GDPUD is in the process of hiring a new general manager. I have experience with this process and can help ensure we find an effective leader for the agency. Second, the District has experienced fiscal impacts due to COVID-19. Through my job, I am working with state elected officials, county officials, and neighboring districts to secure assistance for GDPUD. I can further help the District as a Board Director. Finally, I have attended almost every Board meeting since 2016 to keep informed about GDPUD's issues. My familiarity with the issues will enable me to add value to the Board immediately.

I believe a sizable segment of the Divide would support my appointment as the fifth Board Director. Last November, 1,963 individuals voted for me to represent them on the GDPUD Board. Except for three current Board members and the two Board members who resigned, no individual on the Divide has received more votes than me since 2016.

GDPUD is important to me. I have lived on the Divide since 2013 and have been involved with the District almost every year since I arrived. My wife and I are raising our family here and are committed to the long-term success of the Divide and GDPUD.

Thank you for your consideration and I hope to interview with the full Board. I have included my resume with this letter. I can be reached via cell phone at (916) 947-6432 or email at [dmwadle@gmail.com](mailto:dmwadle@gmail.com)

Sincerely,

Dane M. Wadlé
