

RESOLUTION NO. 2019-22

**OF THE BOARD OF DIRECTORS
OF THE GEORGETOWN DIVIDE PUBLIC UTILITY DISTRICT
APPROVING IRRIGATION APPLICATIONS FOR
THE 2019 IRRIGATION SEASON**

WHEREAS, Ordinance 2005-01, An Ordinance Establishing Rules and Regulations for Irrigation Service in the Georgetown Divide Public Utility District, dictates the method of approving the irrigation applications received by the District; and

WHEREAS, the Irrigation Applications are part of an annual process by which existing irrigation service accounts renew or modify their contracts with the Georgetown Divide Public Utility District, and new applications are considered for service on routes where available; and

WHEREAS, applications are accepted every year between January 1 and March 1 for that calendar year's irrigation season; and

WHEREAS, Ordinance 2005-01 states that applications will be considered for approval using the following priority system:

- Priority 1 – Parcels that received irrigation service during the immediately past irrigation season
- Priority 2 – Parcels with most recent active irrigation service during the previous ten (10) irrigation seasons
- Priority 3 – Applications for new irrigation service;

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE
GEORGETOWN DIVIDE PUBLIC UTILITY DISTRICT THAT**

1. All applications to reduce a contracted amount that are consistent with Ordinance 2005-01 are approved. This action results in flows reduced from the 2003 Safe and Reliable Demand threshold, established by the Board.
2. The Board further approves all Priority 1 (P1) irrigation service accounts. This will assure that the flow in an established route will not exceed the Board established safe and reliable maximum flow.
3. The Board denies all Priority 2 (P2) and all Priority 3 (P3) requests that result in an increased flow for a specific route or are inconsistent with GDPUD Ordinance 2005-01.
4. These actions are summarized in the attached table.

PASSED AND ADOPTED by the Board of Directors of the Georgetown Divide Public Utility District at a meeting of said Board held on the ninth day of April 2019, by the following vote:

AYES: *Garcia, Halpin, Saunders, Souza, Wadle*
