**THE GDPUD BOARD OF DIRECTORS ANNOUNCES OPENINGS ON THE FINANCE COMMITTEE**

The Board of Directors of the Georgetown Divide Public Utility District is accepting applications from individuals interested in serving the community through an appointment to the Board's Finance Committee.

The role of the Finance Committee is to provide recommendations to the Board of Directors in response to proposals made by staff on matters related to District finances. For example, the committee reviews the proposed annual operating budget, proposed long range strategic financial plans, audited annual financial statements, and financial reports. The committee is advisory in nature and reports and is responsible to the Board of Directors. The committee meets at least quarterly, and more often if needed, or as requested by the Board. The Committee is comprised of no less than three and no more than seven members with rotating two-year terms. There are currently three (3) openings.

Interested parties are asked to submit their resume to the District by mail or by emailing General Manager Steven Palmer at [spalmer@gd-pud.org](mailto:spalmer@gd-pud.org). The Board will consider appointments on a continuous basis as applications are received.
